

Progesterone-BSA

Product Name	Progesterone-BSA
Catalog number	S-3PROG1
Lot No.	[lot specific]
Protein Type	Conjugated
Species	Human
Source	Synthesis
Form	Liquid
Concentration	[lot specific]mg/ml
Buffer	Physiological saline, PH 7.0
Applications	User optimized
Assay Information	Matched pair: S-1PROG1
Shelf life	36 months
Storage	2 - 8°C short time ; -20°C long time. Avoid repeated freeze-thaw cycles
Biohazard	There is no known biohazard associated with this product.
