

Triiodothyronine (T3)-BSA Conjugate

Product Name	Triiodothyronine (T3)-BSA Conjugate
Catalog number	S-3T31
Lot No.	[lot specific]
Tag/Conjugate	BSA
Species	Human
Protein Type	Synthetic
Form	liquid
Concentration	[lot specific]mg/ml
Buffer	0.015M phosphate, 0.15M NaCl, pH 7.2, 0.1% NaN ₃
Applications	User optimized
Shelf life	36 months
Storage	2-8°C
Biohazard	This material contains sodium azide as a preservative, take appropriate precautions. There is no known biohazard associated with this product.
