

Mouse Anti Helicobacter pylori Monoclonal Antibody

Product Name	Mouse Anti Helicobacter pylori Monoclonal Antibody
Catalog number	S-1HP1
Lot No.	[lot specific]
Immunogen	Helicobacter pylori
Source	Mouse
Form	Liquid
Concentration	[lot specific]mg/ml
Purification	Protein G chromatography
Purity	>95% by SDS-PAGE
Buffer	PBS buffer, pH7.5
Isotype	IgG
Applications	ELISA, LF
Assay Information	Self-pair with itself for both capture and label antibody in immunoassays.
Shelf life	36 months
Storage	2 - 8°C
Biohazard	There is no known biohazard associated with this product.
