

Mouse Anti SAA Monoclonal Antibody

Product Name	Mouse Anti SAA monoclonal antibody
Catalog number	S-1SAA4
Lot No.	[lot specific]
Immunogen	Human Serum Amyloid A
Source	Mouse
Form	Liquid
Concentration	[lot specific]mg/ml
Purification	Caprylic acid method and ammonium sulfate method
Purity	>90% by SDS-PAGE
Buffer	50mM PBS buffer, pH7.4, sterile filtered, no preservatives
Isotype	IgG ₁
Applications	ELISA,ITM
Assay Information	Matched pair: S-1SAA1
Shelf life	36 months
Storage	2 - 8°C short time; -20°C long time. Avoid repeated freeze-thaw cycles
Biohazard	There is no known biohazard associated with this product.
