

## Gastrin 17-BSA

|                          |                                                                        |
|--------------------------|------------------------------------------------------------------------|
| <b>Product Name</b>      | Gastrin 17-BSA                                                         |
| <b>Catalog number</b>    | S-3G171                                                                |
| <b>Lot No.</b>           | [Lot specific]                                                         |
| <b>Source</b>            | Synthetic                                                              |
| <b>Form</b>              | Liquid                                                                 |
| <b>Concentration</b>     | [Lot specific]mg/ml                                                    |
| <b>Applications</b>      | ELISA, LF, CLIA                                                        |
| <b>Assay information</b> | Matched pair:S-1G171 or G172                                           |
| <b>Storage</b>           | 2 - 8°C short time; -20°C long time. Avoid repeated freeze-thaw cycles |
| <b>Biohazard</b>         | There is no known biohazard associated with this product.              |
