

Recombinant Human MPO protein

Product Name	Recombinant Human MPO protein
Catalog number	S-3MPO1
Lot No.	[lot specific]
Protein Type	Recombinant
Expression Host	HEK293F
Source	Human.
Form	Liquid
Concentration	[lot specific]mg/ml
Molecular Weight	140kDa
Purification	Ion Exchange Chromatography
Purity	>95% as determined by SDS-PAGE.
Buffer	PBS, 5% Glycerol.
Applications	ELISA, LF, CLIA
Storage	4 ° C while lyophilized, aliquot and freeze at -20 ° C once reconstituted
Biohazard	There is no known biohazard associated with this product.
