

Influenza B Monoclonal Antibody

Product Name	Influenza B Monoclonal Antibody.
Catalog number	S-11FB2
Lot No.	[lot specific]
Immunogen	Influenza B virus
Source	Mouse
Form	Liquid
Concentration	[lot specific]mg/ml
Purification	Caprylic acid method and ammonium sulfate method
Purity	>90% by SDS-PAGE
Buffer	0.01M PBS buffer, pH7.4
Applications	ELISA, LF
Assay Information	Matched pair antibody available for Influenza B antibody: S-11FB1
Shelf life	36 months
Storage	2 - 8°C for term; -20°C for long term
Biohazard	There is no known biohazard associated with this product.
