

Mouse Anti LH beta monoclonal antibody

Product Name	Mouse Anti LH beta monoclonal antibody
Catalog number	S-1LH β 1
Lot No.	[lot specific]
Immunogen	Human pituitary LH
Source	Mouse
Form	Liquid
Concentration	[lot specific]mg/ml
Purification	Caprylic acid ammonium sulfate precipitation method
Purity	>90% pure
Buffer	50mM PBS buffer, pH7.4
Isotype	IgG
Applications	ELISA, LF
Assay Information	Matched pair: S-1LH 1
Shelf life	36 months
Storage	2 - 8°C short time ; -20°C long time. Avoid repeated freeze-thaw cycles
Biohazard	There is no known biohazard associated with this product.
