

Mouse Anti LH alpha Monoclonal Antibody

Product Name	Mouse Anti LH alpha monoclonal antibody
Catalog number	S-1LH α 1
Lot No.	[lot specific]
Immunogen	Human pituitary LH
Source	Mouse
Form	Liquid
Concentration	[lot specific]mg/ml
Purification	Caprylic acid ammonium sulfate precipitation method
Purity	>90% pure
Buffer	50mM PBS buffer, pH7.5
Isotype	IgG
Applications	ELISA, LF
Assay Information	Matched pair: S-1LH2
Shelf life	36 months
Storage	2 - 8°C short term ; -20°C long term. Avoid repeated freeze-thaw cycles
Biohazard	There is no known biohazard associated with this product.
