

PG I Protein

Product Name	PG I Protein
Catalog number	S-3PGI 1
Lot No.	[lot specific]
Protein Type	Recombinant
Expression Host	HEK293F
Form	Liquid
Concentration	[lot specific]mg/ml
Molecular Weight	40kDa
Purification	Ion Exchange Chromatography
Purity	>95% as determined by SDS-PAGE.
Buffer	PBS, 5% Glycerol.
Applications	ELISA, LF, CLIA
Shelf life	36 months
Storage	4°C for short term; aliquot and freeze at -20°C for long term
Biohazard	There is no known biohazard associated with this product.
